COVID-19
SCREENING ASSESSMENT
FOR CAREGIVERS & CLIENTS

SANDATA

CARE ASSURANCE

CAPTURE CAREGIVER AND CLIENT COVID ASSESSMENT RESPONSES VIA LAND-LINE OR CELL PHONE

NO COST AND EASY TO USE

Easy to use phone-based solution designed for caregivers to report COVID-19 screening responses for themselves and the clients they serve

CAREGIVER OR CLIENT ASSESSMENT

Caregivers will follow simple prompts to record their agency, staff, and client ID for identification tracking. The Care Assurance telephone module will prompt for yes/no responses to the COVID Screening questions issued by the CDC.

RECEIVING DATA FROM SURVEY

Sandata will distribute cumulative results on an hourly basis, identifying which client/caregiver records require attention.
